1 Price after mail-in rebate and new line or eligible upgrade with two-year contract. Email, mobile number, and related information required for setup and activation. Required data plan not included; use of select unlimited data bundle plans required.

2 Price after mail-in rebate and qualifying two-year service agreement. Contact your carrier for complete terms and conditions.

3 Available colors may vary by wireless service provider.

4 Within wireless coverage area only. Email, web, and messaging require data services at additional cost. Microsoft Exchange email and Microsoft Direct Push Technology available for Exchange ActiveSync only and require Microsoft Outlook using Microsoft Exchange Server 2003 SP2 or later. Availability of IM functionality may vary by carrier.

5 Supports SDHC standard which is necessary for compatibility with 32GB microSD cards, sold separately.

6 Coverage not available in all areas at all times. Requires data services at additional cost. Voice-activated, as-you-go, turn-by turn directions require third party software at additional cost.

7 Estimate subject to change based on system software and application usage. Actual memory and available memory may vary slightly by wireless service provider.

8 Check with your carrier to see if your service plan supports this feature. Additional service charges may apply.
